

Keyboard and mouse

Model – **JV502**

Product Overview

- **Product Name:** keyboard and mouse combo
- **Model Number:** JV502

Specifications

Keyboard Specifications:

- **Type:** Blue sealed Membrane circuit
- **Keys :** 104
- **Language :** US
- **Connectivity:** Wired
- **Dimensions:** 440*149*25 mm
- **Weight:** 500 grams
- **Key stroke life :** 10 Million times

Mouse Specifications:

- **Type:** Optical Sensor Technology
- **DPI:** 1600 DPI
- **Life :** 3 Million Clicks
- **Connectivity:** Wired
- **Dimensions:** 110*62*34 mm
- **Weight:** 55 grams
- **Special Features:** Ergonomic design

Features and Benefits

- **Ergonomics:** Describe the ergonomic features of the keyboard and mouse
- **Connectivity :** USB 2.0 interface
- **Compatibility:** All Windows OS, linux, Mac OS and Andriod OS
- **Cable Length :** 1.25 Mts

Warranty

- **Warranty :** 3-year return to bench
